

Erratum

In the paper, "Elements of probability for system design," by A. O. Allen in Volume 13, Number 4 (1974) replace the sentence that begins on page 335, line 2 with the following sentence: "It can be shown that, under very general conditions, if all the moments for X exist, they uniquely determine the distribution of X . That is, if X and Y have the same sequence of moments, then $F_X = F_Y$."
